As a **frontend developer** and **Masters student** at FH Oberösterreich, I have a passion for creating visually appealing and responsive web applications. Proficient in HTML, CSS, and JavaScript, as well as the popular frontend framework **React** and **React Native**, I am committed to delivering high-quality work. As I pursue my studies, I am eager to apply my skills in a **part-time** role that allows me to continue developing my expertise and contribute to meaningful projects.
